Message from John Arguelles, President of New Villagers

Top o' the mornin' to ya,
Lads and Lassies!

It's March, and that means spring is just around the corner. What a GREAT time to be a New Villager in Tellico Village. St. Paddy's Day will be here soon! While our friends and family in the North and West are still buried under a blanket of snow, ice, and frigid temperatures, our grass will be growing, buds will be opening, and our beautiful golf courses will begin to green up!

March is the time to start focusing on physical activity and how it contributes to the social fabric of Tellico Village. With the approach of spring, let's get out of the house and into the outdoors. Are you a golfer? Perhaps you are interested in golf.... After all, you DID move to a golf community, among the MANY other fabulous recreational amenities available. Do sign up for New Villagers Golf, a great way to meet your "new best friends." Pickle ball and tennis courts are also waiting for you! Is your boat ready for the lake? New slips will be built this year at the Tanasi docks!

I hope you will come out to our March NV Social on Thursday, March 4th. Please remember to sign up for either the 5:00pm or the 6:30 pm session via Tellico life. *Wearin o' the green is encouraged!*

The Yacht Club Blue Heron restaurant looks forward to serving you libation and dinner.

That's no blarney!

WHAT IS TELLICO LIFE?

When you joined New Villagers, you may have noticed that you first had to sign up for TellicoLife. Then you signed up for New Villagers and were able to sign up for NV events.

WHY, you may have wondered, do I have to login to TellicoLife in order to access New Villagers' events? Here is the reason why.....

TellicoLife was started in 2017 in order to provide clubs like New Villagers, HOA, and TVCUC to sign up members, communicate with their members, post events on a common calendar, and have a way for members to sign up for events. TellicoLife provides all of these functions.

Over the past few years, TellicoLife has grown to host more than 40 clubs, and is accessed by more than 4,000 households in Tellico Village and the surrounding areas. As you settle into Tellico Village, we hope that you will find TellicoLife a useful tool to find out what is going on around you. We are glad you are here!
