

New Villagers Club of Tellico Village

NEWSLETTER JUNE 2021

*Message from
John Arguelles, President of New Villagers*

JUNE IS VOLUNTEER MONTH!!!

Tennessee is known as the "VOLUNTEER" state, and Tellico Village is all about volunteers! ALL the clubs and organizations are staffed by resident volunteers, which is what makes this wonderful community so special. Now is the time to "pay it forward" and give back as your time and talents allow.

As we head into the summer months, it is time for your current New Villager Board of Directors to begin the search for next year's 2022 members. Our NV By-Laws require us to present a "slate" of candidates to the membership at our regularly scheduled social in July, so we ask each of you.....

WHAT CAN YOU DO FOR NEW VILLAGERS?

In the next few days, you will be receiving an especially important email listing the roles and responsibilities of each board position we need to fill and to consider if you think you might like to serve in a leadership capacity. If you have a particular skill set or just wish to be part of the team that paves the way for the next wave of New Villagers, we will train you and prepare you for the transition in January. It's fun and rewarding, requires minimal time, and

WE REALLY DO NEED YOU!

HISTORY QUESTION OF THE MONTH

How did Tennessee become known as the Volunteer State?

A special prize to the first correct answer at each social in June!

Welcome New Friends!

EVENT COORDINATORS NEEDED!!

It probably comes as no surprise that Tellico Village is growing by leaps and bounds! We are excited to meet our newest friends (64 New Villagers just in May!), and the New Villagers Club provides unlimited experiences to do just that. The Activities Committee of volunteers is always hard at work planning events and sponsoring outings, but with so many people moving in these days, we could sure use your help lining up more places to visit and organizing outings and events! If you have discovered a great new venue or activity you have enjoyed or wish to experience for the first time, we can show you how to make it happen for you and others as well!

Please contact Pat at vp4nvactivities@gmail.com and join the team!

Tellico Village Tennis Club “Rusty Racquets” Tennis Program

Do you have an old tennis racquet in your garage or basement just gathering dust? Did you once play tennis years ago, enjoyed it, but have not played in many years? Are you a beginner that has never played tennis but now are retired and finally have the time to learn, play and enjoy the game? Then “**Rusty Racquets**” may be just what you are looking for!

Rusty Racquets is a **free** tennis program, open to anyone interested in learning the game or just brushing up on their long dormant tennis skills. The emphasis will be on cooperative fun and exercise so do not worry about your current skill level. We are fortunate to have two professional tennis instructors in the Tellico Village Tennis Club; Mark Williams and Lee Brockman. Both have taught tennis for over 40 years. Representatives from both the Men’s and Women’s Tellico Village tennis programs will assist in the Rusty Racquets training sessions. Basic tennis skills will be covered including forehand, serving, backhand, volleying and scoring. Don’t own a tennis racquet? No problem; there will be extra racquets provided for you to use.

The 2021 Rusty Racquet sessions will be held on June 2, 4, 16 and 18. The sessions will be held on Chota Recreation Center Courts 1, 2, 3 and 4 from 10 am to 12 noon. The program is free but spaces are limited to 16 players per day. Please sign up by contacting Geir Rorstad at (gorstad@hotmail.com) and indicate which session you would like to attend.

After the Rusty Racquet sessions are over, please feel free to drop in on any of the Rusty Racquet Chota Recreation Center. Recreation department membership is required.

WE'LL NEVER FORGET.
