## *Message from New Villagers President*

We are now past the halfway point in what has been a challenging start to a new year. All facilities in the village and surrounding areas have come a long way toward a full reopening. I hope all of you have found a “new normal” and are enjoying every activity that fulfills your expectations and desires for moving to this wonderful place in Tennessee.

The village has experienced exponential growth in the last several years and shows no signs of slowing yet. There are close to 300 homes being built and or permitted according to recent records. So far this year 152 lots have been sold.

With approximately 1,300 members in New Villagers your board is attempting to add more events and things to do. Most events are sold out as quickly as they are available to sign up for. We do need more event coordinators to add additional events. Please volunteer, no experience needed, we can help and train you. Contact our VP of Activities Pat McLaughlin at [vp4nvactivities@gmail.com](mailto:vp4nvactivities@gmail.com). We are only successful when we all pull together. The synergy of a group is much greater than a few.

Indulge your outdoor interests to the max this month!

*John Arguelles*

## Welcome NEW New Villagers!

It might interest you to know that in the past month alone, New Villagers from 15 states have joined our ranks and are making our community stronger than ever! The total number of registered New Villagers has now reached to over 1287 living in 681 households throughout Tellico Village with over 100 lot sales currently pending. Best wishes to all our new friends for a happy and healthy transition to your new lifestyle!

New Villagers **EVENT COORDINATORS** are the backbone of the most social club in the village! This wonderful team of dedicated volunteers seeks out unique and interesting places to visit and makes the arrangements ahead of time so all we have to do is show up and make memories and new friends! Eventually, however, even our volunteer Event Coordinators must graduate from New Villagers at the end of their stints, and new ECs are needed to fill their shoes. That time is **NOW**.

**ORIENTATION BEGINS AUGUST 17<sup>TH</sup>!**

Positions are open to New Villagers only.

Tellico New Villagers Club is seeking Event Coordinators to join the team!

The demand for sponsored events is at an all-time high, and many of our current EVs are graduating.

Please contact **KATHY MASCIO** to find out more!
