

## *New Villagers Club of Tellico Village*

### **October 2021 Newsletter**

#### *Message from New Villagers President John Arguelles*

Summer just quietly left us. How did that happen so quickly this year? The dogwood trees in our yard have already started to drop their leaves, and the signs of autumn are evident with lower evening temperatures and shorter days. We just passed the fall equinox, and Thanksgiving will be here all too soon. There is still plenty to see and do here in East Tennessee, and New Villagers is your portal to all of it. Don't forget a fall tour of the Smoky Mountains to see the montage of colors that will be coming.

At the OCTOBER SOCIAL there will be a few additional items of business. The 2022 New Villagers Board of Directors will be voted on by the membership, and donations to the recipients of our 2021 New Villagers Philanthropy Awards will be presented. This year, presentations will be made to the Tellico Village Volunteer Fire Department and the Tellico Village Library.

Keep an eye out for the Long-Range Planning Committee survey that will be emailed soon to each household for you to fill out. This will help give direction to how our Village approaches the future. Your comments are important and a way for you to be heard.

**VOTE! VOTE! VOTE!** Every fall the POA holds elections for members to the Board of Directors. This year, there are 2 directors out of 7 to be elected. This is your opportunity to participate. Look for instructions from the POA toward the end of October as to how to cast your vote either in person or by secure electronic means.

Have a great October in Tellico Village!

*John*

*Autumn is a second spring when every leaf is a flower.*

~ Albert Camus

Dear New Villagers,

My Time as President of New Villagers Club will be ending soon, and I would like to publicly announce my candidacy for a position on the **POA Board of Directors for 2022**. There are two open positions and four candidates, and I am humbly asking for your vote during the upcoming election.

While I have thoroughly enjoyed my time in New Villagers, I have grown more aware of the rapid growth we are currently experiencing, and now the addition of more land into the Village. There is critically important work to be done and decisions to be made to ensure our infrastructure remains strong, our fiscal management is transparent, our property values are enhanced, and our communication with residents is open. How we do this requires the dedication, leadership experience, and responsible decision-making background that I possess. I look forward to continuing my service to this wonderful community we all call home.

Please accept my personal invitation to the OPEN FORUM being hosted by the HOA on October 21<sup>st</sup> at the Community Church of Tellico Village where I will share my position on numerous topics and answer your questions.

Thank you in advance for your vote, support, and the continued opportunity to serve.

John Arguelles

*Special  
Announcement!*
