PRESIDENT'S MESSAGE

Spring has sprung, or at least we hope so! With the turn of the calendar page comes a wealth of new New Villager events for March, April and beyond that will be available for you to enjoy as a club member.

We have a wealth of cultural and culinary riches here in east Tennessee, and our event coordinators are busy trying to put together fun and interesting things for you to see, taste and experience. There's a wide variety of restaurant gatherings being planned. Do you love concerts and theater events? There are a number of those up for grabs, including a musical tribute to Donna Summer, a classical music take on Sting and The Police, and the classic rock band The Zombies come to Knoxville. We're even making the rescheduled "Jersey Boys" musical in Chattanooga available again.

Are sports your thing? New Villagers Golf takes center stage in March, and there are a few tickets left to join 50 New Villagers on a bus trek to Nashville to see the Chicago Blackhawks play hockey against the Predators in April.

On behalf of the New Villagers Board of Directors, we welcome all of you to our Paradise in the foothills of the Smokies and look forward to seeing you at the next Social.
