

Fun, Friends, Belonging

President's Message
From
Gary Wheelock

Have you noticed that New Villagers Club is sporting a new logo? The beauty of this region, the Smoky Mountains just to our east, and the glorious sunshine are key visual elements in this new design, which was painstakingly crafted by our V.P. of Communications, Kay Condon.

Like ALL of our members of the Board of Directors, she is volunteering her time and talents to new Villagers Club. That volunteer spirit is what makes our club so successful at bringing new residents together with lots of fun activities that result in new friendships. Do you have a talent or skill you'd like to bring to New Villagers Club? We need the next generation of NVC leaders to raise their hands. To let us know if you'd like to explore our volunteer opportunities, send us a note to
