

Message from the 2022 New Villagers Board of Directors

As we look back on this past year, it has been an honor and a pleasure to welcome over 600 NEW New Villagers into our fold and grow our numbers to nearly 1500 total members to date! We have enjoyed a dynamic year of *"Fun, Friendships, and Belonging,"* and we are so grateful to end it with our arms around each and every one of you for making our Tellico family better than ever!

During the past 12 months, we sponsored over 230 events, traveled over 1500 miles via luxury coach to far away sports and entertainment venues, and have introduced over 60 of the area's best dining spots you will want to visit again and again. We have hiked and biked, golfed our beautiful golf courses, learned to play new card games, and danced to some of the best live music bands in the area. We have tested our fortitude while white water river rafting and underground caving, toured a historic (and some say haunted) state prison, walked an eerie cemetery under a full moon, and learned about the role E. Tennessee played in making the first atomic bomb. We cooled off on numerous raft offs and beach parties, threw some gnarly axes, dined on riverboats, and broke out of escape rooms with nothing but a little teamwork. Live theater, Broadway musicals, Dueling Pianos, and legendary musical greats have thrilled us beyond words, and just exploring the beauty of where we live has been priceless. BUT.....

The absolute BEST part of this past year has been meeting and greeting ALL of you who have participated and made our events GREAT! None of us could have made this year fantastic without YOU, and we are so grateful you chose to join New Villagers and be the force that makes it fun.

The 2022 New Villager Board of Directors and the scores of volunteers who have stepped up to make every event a class act thank you all for making 2022 one of the best years ever. May you all have abundant joy and good health today and in the New Year!

Sincerely,

*John Massel, President
