

MESSAGE FROM THE PRESIDENT

Happy New Year everyone! We want to wish you a joyful and prosperous New Year. Next year is going to be exciting, with our first monthly Social kicking off on Thursday, January 5th.

We have an excellent team ready to go with all Board positions and 99% of all activity coordinator positions filled. If you see anyone wearing a red vest at a Social, please introduce yourself. The red vests denote they are a Board Member volunteer, and a New Villager just like you.

*The New Villagers Board has three **goals** for 2023. We want to continue the momentum of last year's New Villager organization. Last year was a super successful year for New Villagers. Let's continue that success.*

Secondly, we want to host as many New Villager activities and group events as possible. The more interesting activities we plan throughout the year, the easier it is to meet each other. Most activity ideas originate from New Villagers. If you see something we should plan, let us know, or coordinate it yourself with our assistance.

Last, we plan on utilizing the monthly socials to provide more detailed information on activities available in Tellico Village. Each month, we will have a speaker who will give a short presentation of a topic of broad interest.

Get ready for an exciting year at New Villagers. We can't wait to begin!

Bob Wolf, New Villagers President
