

# NEW VILLAGERS 2023 MARCH NEWSLETTER

Even though it is early March, it feels like early Spring in Tennessee with more and more residents getting outside to enjoy golf, tennis, pickleball, or a beautiful hiking trail. As often said in Louisiana; '**Laissez le bon temps rouler**', 'let the good times roll'!

We have another exciting lineup of speakers at our March 2<sup>nd</sup> monthly Social. Members from the Tellico Village Dragon Boat Team will be giving a fun demonstration on Dragon Boat racing. We also have a short presentation scheduled by the Smokey Mountain service dogs organization that trains and provides service dogs to disabled American veterans in our area. One or more of their service dogs will be present at the March Social.

To date, New Villager attendance at our 2023 New Villager Socials and events has been outstanding. The credit for this goes to our excellent event volunteers. Club membership is also holding very steady at about 1350 members. As we acquire new members, we also have members that 'graduate' as their two-year membership expires.

Last Fall, New Villagers had over 1500 members, but we had a large graduating class in the Fall, which brought us to the 1350-member level.

Some members have asked is whether Tellico residents who are renting a home or condo can become a New Villager member. The answer is yes, they can. Any new resident of Tellico Village is welcome to join the club. Property ownership is not required. If any of your friends or relatives have recently moved to Tellico Village and are renting, please mention to them that they are welcome to join New Villagers and participate in all of the Club's activities.

Another question asked is whether membership in New Villagers can be extended beyond two years. The answer is yes it can be extended, but only due to special circumstances.. For example, if some of you wish to help the organization next year as a New Villager officer or event coordinator, but your two years membership expires mid-term, we will gladly extend your membership and have done so for others. There are also other special circumstances where memberships has been extended. If you have a good reason to extend your membership, speak with one of the Board Members in a red vest.

One thing I have noticed about New Villagers is we all love exploring our beautiful area and meeting fellow residents. If you visit a local restaurant, business, or experience an event that would be fun for other New Villagers, please pass the event idea to Diane Lipinski, at [Cadiane.lipinski@gmail.com](mailto:Cadiane.lipinski@gmail.com), our New Villager Event Vice President. You can also drop the idea into the suggestion box at our Monthly Social. Starting in March, you will see a suggestion box at all of our monthly Socials..

Another way to promote a New Villagers event to volunteer to be the event coordinator. Since the New Villager Club has been organizing social events for years, most of the duties are standardized , performed by others, and the learning curve not steep.

We hope all of you are getting ready for Spring. Let the good times roll!

BOB WOLF, NEW VILLAGERS PRESIDENT

**Voted 1st place in "Best Taste" of Blount County  
9 years in a row!**

Thai dishes artfully balance the sensations of hot, mild, sweet and sour from ingredients that are specific to Southeast Asia and neighboring India. The scent of Thai herbs, sweet basil, coriander, lemongrass, kaffir lime leaves, and galangal (related to ginger) combine to create a therapeutic aroma that permeates the dining room. Sushi chefs prepare special rolls, nigiri, and sashimi.

The Lemon Grass chef offers menu items in four levels of heat to suit individual preferences.

🔥 "Mild", stimulates a "kick" to your lips and tongue.

🔥🔥 Medium", will set lips and tongue tingling.

🔥🔥🔥 Hot", tingle glows to fire, but the exotic flavors of Southeast Asia come through.

🔥🔥🔥🔥 Thai Hot", Can you take it? For addicts and Thai nationals.
