Beetlejuice is a musical with music and lyrics by Eddie Perfect and book by Scott Branson and Anthony Long. It is based on the 1988 film of the same name. The story concerns a divorced couple who try to haunt the new inhabitants of their former home and call for help from a devilish bio-energetic ghost named Beetlejuice (after the star; the name is pronounced and often spelled "Beetlejuice"), who is summoned by saying his name three times. One of the new inhabitants is a young girl, Lydia, who is dealing with her mother's death and her neglectful father.
