Seats are limited to only those who register in advance for each of the the 2 session. Come early and visit our tables in the back room. We have lots of great clubs and organizations that would love to talk with you. Visit the tables in the front of the Great Room. Many different New Villager activities are represented there. If you have any questions,, ask one of the event coordinators.

Save the date – June 6th for the June Social.

Summer Raft offs are coming soon. We would love to have some more boat captains. The more boats, the greater the number of rafters.

We are always looking for new event ideas. You do not event have to run the event, just share your thoughts. We really want to hear from you. Do you have thoughts on how to improve the New Villager experience?

Are you looking for a way to get involved in the village? A great way to find out what is happening in and around the village is to volunteer for TellicoLife. TellicoLife is led and managed by solely volunteers. We currently have several openings that we are looking to fill;

We have an opening for our Operational Lead. This is a somewhat technical role which will require becoming very familiar with the TellicoLife administrative side. The Operational Lead will work with the various volunteer admins to make sure that TellicoLife is running smoothly. For more information, please take a look at the <u>TellicoLife Lead job description</u> on TellicoLife.

We are also looking for someone to create and maintain the banners that appear on the TellicoLife homepage. This will require someone to create the banners using a graphics program, based on entries on the TellicoLife calendar which seem to have broad appeal to our residents. Depending on your skills, we may have you add these to the home page or send them to someone who is comfortable doing so.

Our TellicoLife GSBB Admins support the club calendar entries and content for the 40+ clubs that are subscribed to TellicoLife. We are currently looking for 1 or 2 new volunteers to help with this activity. This role is not a super techy job, but does require comfort with using a web browser. Familiarity with basic Microsoft Excel and Word documents is also required. Further information is contained in this <u>GSBB Admin job description</u>.

For more information on all of our volunteer opportunities, see our <u>Volunteer Roles</u> page or send a note to <u>tellicolifeinfo@gmail.com</u>.
