

# New Villagers May 2025 Mid-Month Update

## To our Newest Villagers,

On behalf of the Tellico New Villagers Club, I extend a heartfelt welcome! We are thrilled to have you join us. As you begin to settle in, we encourage you to explore all that our vibrant community has to offer. There is something for everyone here.

To help you get acclimated to the Village, we suggest the following to get started:

- **New Villagers Socials:** These monthly socials are a wonderful way to meet other newcomers and learn about the various clubs and special events that are available.
- **The Tellico Life Website:** There are valuable resources which provide information on upcoming events, club schedules, and community news. Check out the Calendar of Events on our web site ([www.tellicolife.org/nv--home-page](http://www.tellicolife.org/nv--home-page)), it can be filtered for just New Villager activities. After logging in, you can click on the event, review the details to ensure it's something you want to do, and then click to sign up. to the event coordinator to be put on a wait list.
- **Tellico Welcome Center:** The Welcome Center has new homeowner packets with lots of information about everything from garbage collection to how your street name is pronounced.
- **Name Badges:** At the Tellico Library, you can order the badges. There is a small fee and a few options for colors. At social events it is customary to wear a name badge.
- **Villager Cards:** business cards with your contact information and a picture. Exchanging cards with others is a great way to remember names and faces of the new people you meet. Vista Print and Walgreens are a couple of sources for these.

One of our core beliefs is that community involvement enriches the lives of our residents. We encourage you to connect with your neighbors, make new friends, and explore Tennessee.

We look forward to seeing you at our events, and around the Village!

Sincerely,  
Brian Hawkins  
President of New Villagers

## June Social

We hope you are enjoying the new Social format with 2 sessions. We continue to get good feedback on how and what we are presenting. Join us for the upcoming June social and pick your session. If you have not recently attended, please consider picking a session to get updated on all the upcoming events and news from the club (and pick up that winning raffle ticket!).

The poster features a light blue background with a sun, two beach chairs, and a beach ball at the top. The title 'New Villagers June Social' is in green and blue, with 'Lower Level Yacht Club' below it. The left side has a section for 'June 5th' with details about the opening and a list of clubs. The right side is divided into two sessions with their respective times and activities. At the bottom, there is a registration link and contact information.

## **Volunteers Needed**

Have you enjoyed the variety of events that our activities group has provided to enhance your New Villagers club membership? The secret to the great variety and number of events are our Event Coordinators. These fellow New Villagers have volunteered their time to identify, plan and coordinate the NV events and activities so far this year. We are always looking for new ECs that will continue to make this club successful. Please consider volunteering. We have events that have been identified and just need an EC to coordinate, and we also welcome a new coordinator to bring new ideas and lead an event or two. Getting near the end of your NV two-year membership? Volunteering as an EC will allow you to extend your time in the club!

If you are interested or just want more information, reach out to our activities team or any other NV board member.

[activities@telliconewvillagers.com](mailto:activities@telliconewvillagers.com)

Also our board members are all volunteers and serve a one calendar year term. As you enjoy the benefits of the New Villagers Club think about how you can apply your backgrounds, talents and energy to make the club even better. Consider volunteering for a board position starting in 2026. Reach out to any board member for information on what each role entails.
