## INSIDE THIS ISSUE:

- Meet the newest members this month.
- Events now open for registration and those coming soon.
- In-depth view of fun opportunities at socials and invitation to our next month's social.
- Important things to know and social opportunities.

## PRESIDENT'S MESSAGE

As Glenn Fry sang the "THE HEAT IS ON", we are now into the TN summer with longer days and light until almost 9:00pm. I think we are in the beginning weeks of the Dog Days of the Summer.

Fortunately, we have the answer to all of this heat, there are two "Rafts Off's" scheduled coming soon that can be signed up for. You can float in the Tellico Lake and revel in the cool water while enjoying a cold beverage of your choice and having great conversations with fellow New Villagers.

Please remember that the July Social is moved to the 10<sup>th</sup> and we will have only one session that evening. We will open at 5:00 with the meeting starting at 6:00. We will have the Event Coordinators available to answer any questions on the current and upcoming events.

The Activities team has assembled a great line up for August. We have events, that can be signed up for after the Social, which include: an ice cream outing, Tacos & Tequila, Axe throwing, a great drive on the Tail of the Dragon to an excellent meal at a historic tavern, several fantastic dine out options, a dancing hoedown, and a cookware class teaching what and why the right pots and pans will make a difference in your culinary adventures, to name a few.

Just a reminder about event participation, if you can't make it to the event, please give the Event Coordinator a heads up as there is generally a list of others who would love to attend.

We are vulnerable to Phishing Scams through email. New Villager's email has been hit by hackers looking for your money. Every few months we get another round of FAKE emails requesting some form of money be sent to myself or another Board member. Please remember New Villagers will **never** ask you directly for money or services online.

I look forward to seeing you at the Social and our events. Stay cool and enjoy Eastern TN.

Brian Hawkins  
New Villager President

*The NV Board will be sending out a Mid-Year Survey to capture feedback on how we are serving the new villager community. Keep an eye out for the email kicking off the survey. We encourage all members to take the few minutes required to complete the survey. This not only helps us during this current year but will allow the club to meet the needs of future residents.*

---

**Don't hesitate to come up to your board members (look for the red hats!) during the upcoming social or via email if you have any questions or suggestions. We are always open to new ideas that will enhance the NV experience.**

## **[Volunteers Needed](#)**

We are always looking for new ECs that will continue to make this club successful. Please consider volunteering. We have events that have been identified and just need an EC to coordinate, and we also welcome a new coordinator to bring new ideas and lead an event or two. Getting near the end of your NV two-year membership? Volunteering as an EC will allow you to extend your time in the club!

If you are interested or just want more information, reach out to our activities team or any other NV board member. [activities@telliconewvillagers.com](mailto:activities@telliconewvillagers.com)

## **2026 Board Members**

While we are only halfway through our 2025 board year, it is time to start looking for next year's NV leadership team. Our board members are all volunteers and serve a one calendar year term. As you enjoy the benefits of the New Villagers Club think about how you can apply your backgrounds, talents and energy to make the club even better. Consider volunteering for a board position starting in 2026. Reach out to any board member for information on what each role entails.
