### INSIDE THIS ISSUE:

- Meet the newest members this month.
- Events now open for registration and those coming soon.
- In-depth view of fun opportunities at socials and invitation to our next month's social.
- Important things to know and social opportunities.

## PRESIDENT'S MESSAGE

We are in a heat wave here in Eastern TN. Many of the days have a "feel like" temperature nearing 100. Make sure you sign up for our next Raft Off to help beat some of the heat. For those golfing in the afternoon, I applaud you all, please make sure you are staying hydrated by mixing in some water with your libations.

Several exciting events are in the works for this Fall and Holiday Season. Watch the NV Calendar in Tellico Life, attend the Socials and most of all read our newsletters. The Activities team will be sharing details soon. They will continue to schedule as many wonderful events and expanding the attendee slots as high as reasonably possible. Once again, to all the New Villager Event Coordinators, we say "Thank You"

Some members have mentioned it is difficult to sign up for certain events because they fill so quickly. Depending on the popularity of an event, this is often true. To improve everyone's chances of getting the event tickets, it is recommended you log onto Tellico Life early Friday (starting at 7:00am) the morning after a New Villager Social. When the events go 'live' for ticketing, be ready to strike. All events will be opened by 9:00am.

**Save The Date:** Parks and Recreation Dept. will be hosting a Community Fest on Sept 28th 4-8pm. There will be a band, plus food and alcohol for purchase. Many of the Tellico Village clubs and organizations will be present providing information about their programs and offerings. Parking is off site; therefore, shuttles will be provided.

I look forward to seeing you all enjoying the great aspects of Eastern TN.

Brian Hawkins  
New Villager President

## [New Villager's Mid-Year Survey](#)

The New Villager Board would also like to thank everyone who completed a recent club survey. We have received over 150 responses out of a total club membership of about 1,050. This is an outstanding response, almost 15%. Most general surveys garner only a 1-2% response, but not the Tellico New Villager Club! Your suggestions will be reviewed and used to improve our club.

One of the goals of the survey is to find members who are interested in serving the club next year. We all serve for 1-year terms, and are looking for those who want to continue the excellence our club has established.

**If you have not already responded**, we would appreciate your feedback. The more responses we get provide the board members valuable insight into the hits and misses of New Villagers this year. We are always looking for ways to improve the NV experience. Please take a couple of minutes to respond to our survey at the link below or you can use the QR code below.

[2025 Mid-Year New Villager Survey](#)

---

*We encourage all members to take the few minutes required to complete the survey. This not only helps us during this current year but will allow the club to meet the needs of future residents.*

---

Thanks for the help and look forward to the rest of the year!

## *Reminder – August Social*

## **[Volunteers Needed](#)**

We are always looking for new ECs that will continue to make this club successful. Please consider volunteering. We have events that have been identified and just need an EC to coordinate, and we also welcome a new coordinator to bring new ideas and lead an event or two. Getting near the end of your NV two-year membership? Volunteering as an EC will allow you to extend your time in the club!

If you are interested or just want more information, reach out to our activities team or any other NV board member. [activities@telliconewvillagers.com](mailto:activities@telliconewvillagers.com)

## **2026 Board Members**

While we are only halfway through our 2025 board year, it is time to start looking for next year's NV leadership team. Our board members are all volunteers and serve a one calendar year term. As you enjoy the benefits of the New Villagers Club think about how you can apply your backgrounds, talents and energy to make the club even better. Consider volunteering for a board position starting in 2026. Reach out to any board member for information on what each role entails.

Looking forward to next month's Social!
