

# New Villagers September 2025 Mid-Month Update

## To our Newest Villagers,

On behalf of the Tellico New Villagers Club, I extend a heartfelt welcome! We are thrilled to have you join us. As you begin to settle in, we encourage you to explore all that our vibrant community has to offer. There is something for everyone here.

To help you get acclimated to the Village, we suggest the following to get started:

- **New Villagers Socials:** These monthly socials are a wonderful way to meet other newcomers and learn about the various clubs and special events that are available.
- **The Tellico Life Website:** There are valuable resources which provide information on upcoming events, club schedules, and community news. Check out the Calendar of Events on our web site ([www.tellicolife.org/nv--home-page](http://www.tellicolife.org/nv--home-page)), it can be filtered for just New Villager activities. After logging in, you can click on the event, review the details to ensure it's something you want to do, and then click to sign up. If it is filled contact the event coordinator to be put on a wait list.
- **Tellico Welcome Center:** The Welcome Center has new homeowner packets with lots of information about everything from garbage collection to how your street name is pronounced.
- **Name Badges:** At the Tellico Library, you can order the badges. There is a small fee and a few options for colors. At social events it is customary to wear a name badge.
- **Villager Cards:** business cards with your contact information and a picture. Exchanging cards with others is a great way to remember names and faces of the new people you meet. Vista Print and Walgreens are a couple of sources for these.

One of our core beliefs is that community involvement enriches the lives of our residents. We encourage you to connect with your neighbors, make new friends, and explore Tennessee.

We look forward to seeing you at our events, and around the Village!

Sincerely,  
Brian Hawkins  
President of New Villagers

## October Social

We have extended the actual meeting time to 1 hour each session to allow for a guest speaker. Join us for the upcoming October social and pick your session.
